

# A day to remember

## The Bill MacGowan Memorial Golf Tournament

Since we lost him in May 2018, Friends of Football have been looking to celebrate the memory of Bill MacGowan in a way he would have liked.

We have decided a day on one of his favourite golf courses, at Waitemata Golf Club, would be ideal. We can all remember Bill and help raise funds for Friends of Football to put back into the sport he loved.

Everyone — including Bill's friends, colleagues and admirers — are invited to play in this inaugural annual tournament (at the club where he signed for his first golf membership) for a day of friendship in good company.
