Presidents Welcome

A warm welcome today to Stanmore Bay and the fields of green, to North Shore United and their U23 team, along with their coaching staff and supporters. Special welcome to GK James Dunn who started his football career at HBCAFC.

The first home game of our newly promoted Coast Men's team in the NRFL Championship, who started well last week with a 2-0 away win against Tauranga City, with centre back E-Mann Darkwa scoring both. A great start, but it is only one game and it is a long season.

The U23's drew 1-1 draw, which is a good result first up away from home.

With the start of the season, there are a number of people at the Club to thank. Firstly General Manager Josie Hart, Administration Manager Brittany Carncross, the coaching and management staff and players in both our teams. Of course there is always our cheerful and reliable bar staff: Krystal and Victoria.

Sponsorship is key for any Club. A big thanks to all our sponsors especially our Platinum sponsors: GJ Gardner Homes; Hiway Stabilisers; Safety Nets NZ; RNB Transport, and Barfoot and Thompson, and our very own HBCAFC Business Network Group. The Club is forever grateful. See the program for the Gold and Business Partner Sponsors. Remember any time you go into one of our sponsors, mention you are from HBCAFC. Sponsors need to know their support is working and beneficial.

I would like to acknowledge the officials for this weekend's games at the Coast. I also welcome all the Coast supporters. Being loud and parochial is fantastic. Remember like the players and coaches the officials aren't always going to get it right, lets all show a bit of respect for a thankless job at times.

Remember the RESPECT THE REFEREE CAMPAIGN.

Last weekend also saw our newly promoted ladies playing their first game in the Women's Premier League away to Western Springs. While a 0-5 loss is disappointing, the result wasn't a true reflection of the game, and I'm sure they will be so much better for the experience as they settle into a very tough competition.

Tomorrow the ladies play away to Auckland United at Keith Hay Park, 1pm kick off. Another very strong opponent.

Next weekend is Easter, which sees the Men away to Northern Rovers on Friday and then home to Onehunga-Mangere on Monday. No games for the Ladies.

Come On You Greens.....bleed green.

First Team

Coaches Words

A massive welcome back to Stanmore Bay to all our supporters. After a massive season last year, the team is stoked to be back playing at home. The lads have spoken in length about how emotional the end of last season was, what it meant to them and how the amazing support from the community got them across the line on the final day. Our supporters felt like the 12th person who helped get them over the line and become champions.

We have had a good preseason culminating in a fantastic 2-0 win away to Tauranga last week with a double from our summer signing Emman Darkwa. Congratulations to Ethan Usher, George Debenham and Lewis Cartwright for their Coast First team debuts. Another highlight from the weekend was 3 homegrown under 20s starting for the first team, great motivation for young players in our talent pathway.

The squad this year has had some new additions, it is really important to us that we add the right people to the project and I am happy with the mix of youth and experience across the team. Today, we welcome local rivals North Shore United. The team is rebuilding under their new head coach, Dylan Burns. We wish them the best of luck for the season.

They have recruited a number of new players and will be a real test for the lads today, but we are ready for it. We have been working hard on creating a team that will be well structured and resilient, whilst developing an entertaining style of play.

The lads are well aware that they are role models for so many of the young players at the club and will do everything they can to make everyone proud to be Hibiscus Coast.

We are excited and ready to take on the challenge of the NRFL Men's Championship and to be an example on and off the pitch for the next generation of Coasties!

A massive thank you to the club and all our amazing sponsors, without your support, none of this would be possible.

COYG!
